SFR Consumer business update

November 25th, 2010

Frank Cadoret

Executive VP, Professional and Consumer Market

Our core belief (1/2)

Digitization: a new frontier!

Explosion of digital uses drives strong
growth opportunities

Our core belief (2/2)

Clients need a **trusted partner** to guide them
in the digital world

Our mission on the Consumer market

**Guide each client and offer him
the best of the digital world**

2010, year of transformation

Mobile

A Mobile data is taking off

Strong sales of webphones

Explosion of mobile Internet usage

B Market is changing

Softened contract commitment conditions

Competitive pressure on prices

Fixed

D Towards new customer experience

New ADSL box

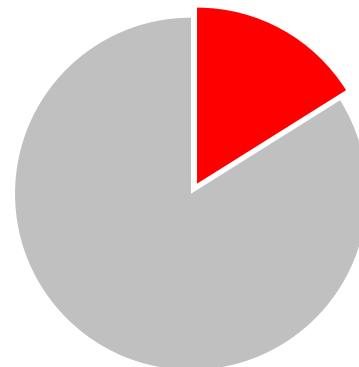

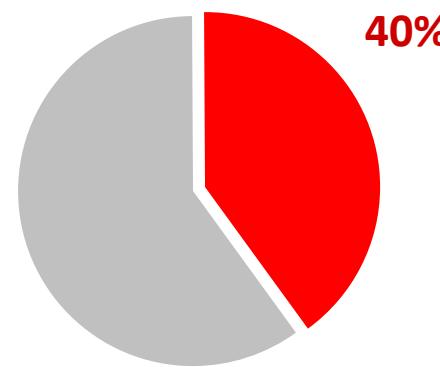

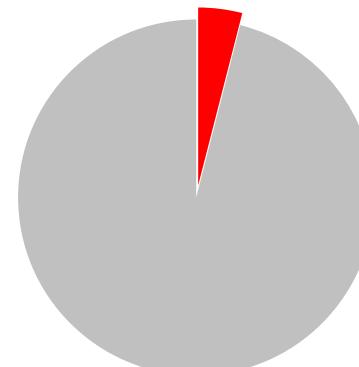

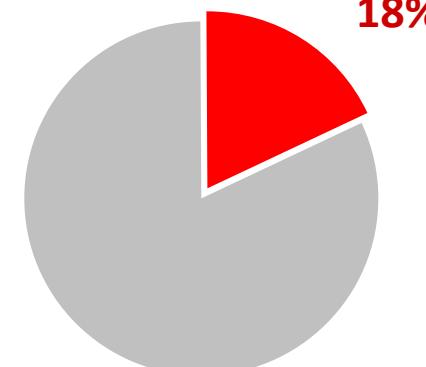

Content « in the cloud »

C Development of Fixed-Mobile bundled offers

SFR has adapted its offer while pursuing a **value strategy**

Webphones already account for 40% of postpaid sales and 18% of the postpaid customer base
